**CHARTER YOUR  
OWN 42FT LUXURY  
MOTOR YACHT**

For corporate hospitality or personal use, Quiet Storm is the perfect way to entertain and impress clients, colleagues, friends or family at an affordable price, with flexible options to suit every budget.

Based at Ocean Village in Southampton, Quiet Storm is a 42ft Category A ocean-going motor yacht which can take up to 12 day guests or six people overnight. She has a beautiful high gloss cherry-wood interior, full central heating throughout, fridge-freezer, microwave, washing machine, CD player, wide screen TV and video systems. She also has an on-board generator and inverter with 240v AC power in all public areas and cabins. Her two spacious saloon areas can cater for up to 12 for lunch or dinner, while the upper deck can be used to enjoy drinks and canapés - and the view of course!

A professional skipper is provided for all charters, but beyond that the choice is yours. We can provide full catering with waitress service, or you can bring your own food and serve this yourself for a more informal occasion. Likewise, you can choose to provide your own drinks or we can arrange this for you. All these options can be discussed in more detail and sample menus/drinks lists can be supplied if you are interested in finding out more.
