

Can we save you this Summer?

- FREE ISDN 30e installation, saving you a minimum of £1,000 - and as much as £2,353 depending on the size of your system.
- Move to Spitfire and save 12% on BT's line rental charges and up to 30% on your whole telecoms bill.
- Replace your leased line with Spitfire SDSL, and halve your Internet access costs. That means serious savings when you think that the average annual rental on a 2Mb leased line is £10,000!

So, if you're thinking of moving offices or if you're planning to upgrade your communications to a digital telephone service this Summer, you need to talk to Spitfire.
